

Dr. Ken Kozier

Ken is a Senior Applied Physicist in the Applied Physics Branch at AECL's Chalk River Laboratories. He received his PhD in Physics from the University of Manitoba in 1977. He has more than 34 years of work experience at AECL primarily in the areas of reactor core analysis and nuclear data assessment. The first 19 years of his career were spent at the Whiteshell Laboratories where he was involved in several of AECL's small reactor programs.
