Attention: Ron Quintal, President

Dear Mr. Quintal:

The Fort McMurray Environmental Association and the Pembina Institute for Appropriate Development would like to formalize an agreement for the use of the Métis land located at or near Fort McKay. We understand Métis Local #63 occupies land at or near the hamlet of Fort McKay pursuant to a long term lease granted by the government of Alberta and which includes the lands described in the attached Schedule (the "Lands"). Many of our members are outdoor enthusiasts and would appreciate the ability to hike, camp and access the Fort McKay River for kayaking and other boating activities. We appreciate your organization's consent to occupy some of your lands for these purposes.

We agree:

1. To pay \$200.00 to the Fort McKay Métis Local #63 in consideration for the terms and conditions of this agreement.
2. Not to litter, cut down any trees or create a nuisance on the Lands.
3. To properly extinguish all campfires and observe all fire bans.
4. Not to erect any permanent structures without your consent.
5. To observe a speed limit of 35 km/hr in the hamlet of Fort McKay.
6. To give you one week's notice prior to camping or otherwise occupying the Lands.

7. To indemnify and save harmless the Métis Local #63 against any claims including all damages, liabilities, expenses and costs arising directly from the use and occupation of the Lands pursuant to this agreement.

The Métis Local #63 agrees:

1. To permit the Fort McMurray Environmental Association ("the Association") and the Pembina Institute for Appropriate Development to occupy Lots One, Two, Three and those portions of the Lands which are not occupied by Métis Local #63 members and lie north of the left bank of the McKay River, more fully described on the attached Schedule for the purpose of camping, hiking, boating and other recreation purposes for a period of ten years.
2. To advise us if the Métis Local #63 sells or otherwise transfers its interests in the Lands.
3. To give us sixty (60) days written notice of termination of this agreement.

The foregoing is agreed to be effective 21 of July, 2008. Please confirm the consent of Métis Local #63 to the above terms and conditions by signing both copies of this letter (see below) and returning one signed copy to us.
